Western Zone Speedo Sectionals  
March 25-29, 2015

The University has established a parking program in the Trinity Garage using an event swipe card. Please see the map above. **The swipe card will allow you to enter and exit the garage as often as you wish on Wednesday, March 24th thru Sunday, March 29th, 2015. The card is accepted ONLY in the Trinity Garage.**

- PTS will sell 6-day garage cards, at $72 per card, at the Texas Swim Center on Wednesday, 3/25/15, from 8:00 AM - 12:00 PM. Self-paid multi-day cards will work in the Trinity Garage.
- Cards will also be on sale from the TRG cashier window beginning on Tuesday, 3/24/15 and ending on Friday, 3/27/15. Cards will be $12/day from the day they are sold, and the cards will allow access through Sunday, 3/29/15. Single day cards will not be available.
- Cards will NOT be offered after Friday, 3/27/15. Any spectators who do not purchase the multi-day parking card will be required to pay the daily parking rates.
- Please note: Trinity Garage may be in event mode, with cashiers collecting parking fees ($12/entry) at the entrance gates at times during this event. When not in event mode, the daily garage fees apply. Once you have purchased your swipe card, you will not have to go to the cashier's window and get a validation; you may go straight to your car and use the swipe card to exit the garage.
- **The swipe cards must always be used in the RED machines!!** The grey machines will not return the swipe card to you.
- Upon entering the garage, use the swipe card in the RED machine to gain access to the garage. **If you use the swipe card, do not pull a ticket.** If you use your swipe card to enter the garage, **you must use your swipe card to exit**, even if the garage gates happen to be open. If you do not swipe, the card will not work when you try to enter the next time. The machine will think you are still in the garage.
