Entries: Swimmers may enter as many events as they are qualified to swim, but they may only compete in 7 individual events during the entire meet with no more than 3 individual events during any one day, plus 1 relay event per day. Time trial events will count as one of the 3 individual events allowed per swimmer per day. If you enter more than 7 events, you must scratch the events you will not swim. See “Scratch Deadline” below.

Entries for Sectionals must be completed in USA Swimming’s online meet entry (OME) system – www.usaswimming.org/OME. Entries will open in OME on June 1, 2024. You are not entered in the meet until you have checked out and paid for your entries in OME. OME saves your entries, and you can complete your entries in more than one sitting. Once checked out, you cannot delete an entry (but you can add additional entries until the entry deadline). OME accepts Visa, MasterCard, American Express, and Discover. **Coaches must register in OME to receive a deck pass.**

If you have **trouble with OME**, please contact USA Swimming at tfreeman@usaswimming.org.
If you have an **entry question**, please contact Bridgette Laitala at bridgette.rhoades@austin.utexas.edu

Proof of Times/Qualifying Times: OME will automatically provide proof of time. If you override a time in OME, you will be required to provide proof of time. Qualifying times are 2024 Texas Senior Circuit Sectional time standards. All swimmers must meet the 2024 Sectional time standards and must have achieved those times within two (2) years of the entry deadline (dating back to July 8, 2022). Events may be qualified for by meeting yards or meters times. Athletes entered in at least one individual event may swim up to two bonus events, provided they meet the Texas Senior Circuit *Bonus* time standards.

Prelims: All prelim events will swim fastest to slowest, with the first 3 heats circle seeded. In prelims the 400 IM & 400 Free will swim the first 2 fastest circle seeded heats of women, the first two fastest circle seeded heats of men, then alternating heats of women/men, fast to slow. Prelims sessions will be seeded the evening before. Individual events in prelims will be conducted using both ends of the 50-meter pool – odd heats start at the Non-Flag end, even heats start at the Flag end. All 50’s will start at the Non-Flag end. Depending upon the size of the meet, we reserve the right to run events from only one end of the pool. Chase starts may be used at the discretion of the meet referee.

Finals: All finals will swim slowest to fastest. Scratching for all final events is required as outlined in the current USA Swimming rules 207.11.6D and 207.11.6E. The finalists and two alternates will be announced and have 30 minutes after the announcement to either scratch or declare an intent to scratch from finals. Any qualified swimmer in the event may be moved into finals due to scratches. Therefore, all swimmers who will not be present at finals must scratch to avoid a suspension from the meet.

Thirty minutes after the announcement, no further scratches will be accepted. The existing scratches will be tabulated, and the finalists and two alternates will be set. Only those finalists at that point will be subject to a penalty.

Any finalist who fails to compete at finals, consolation finals, or any other bonus final heat, for which they have qualified and failed to scratch, will be banned from further competition in the meet in accordance with USA Swimming Rules and Regulations. On Sunday, any finalist that fails to compete at finals, consolation finals or any other bonus

final heat will be fined \$50.00, and that swimmer's team will be barred from further competition for the remainder of the meet, and any future Sectional Championships, until that fine is paid.

Relays: Relays are timed finals events. Teams are limited to 2 relays per event, per gender. Relay only swimmers are not permitted. Relay swimmers must be qualified to swim and entered in an individual event. The fastest two heats of relays will swim in finals. All remaining heats will swim at the end of prelims fastest to slowest, alternating women/men heats. Relays may indicate their preference to swim in the Prelims session by the scratch deadline for that event. There will be a 10-minute break before all relay events.

RELAY CARDS ARE DUE BY 5:30 PM THE DAY PRIOR. No deck entered relays will be allowed.

Scratch Deadlines: Friday-Sunday prelims deadline: 5:30 PM, day prior to the event. For Thursday prelims, the scratch box closes 15 minutes after the conclusion of the General Meeting on Wednesday. **Swimmers must scratch any event that they will not swim the next day. After heats have been seeded, any swimmer who fails to compete in a prelims event in which they have been entered and have not scratched, will be barred from further individual and relay events that day.** Additionally, that swimmer will not be seeded in any event on succeeding days unless that swimmer declares an intent to swim prior to the close of the scratch box for the succeeding day's events.

Time Trials: Time Trials will be held, *time permitting*, for participants between prelims and finals on Friday and Saturday. Time Trials are only for swimmers already entered in the meet. Time Trial entries will be accepted through OME. There will be no time trials on Thursday or Sunday. The entry fee is \$25 per event.
