Choose "Texas Swim Center" as the venue.

***Please be aware that there MAY BE disruptions (construction, etc.) surrounding the Swim Center are going on and may cause congestion in the area.**

All parking on campus requires a UT permit or payment at the garages. Failure to display the required UT permit can result in a citation to the vehicle. When dashboard permits are issued duplication is strictly prohibited and, if found, can result in a citation with a minimum fine of \$210 and possible booting of the vehicle. In addition, when printing the permits please ensure that the entire PDF file is printed, not just the first permit, as each permit has a unique number and displaying duplicate permits can also result in citations and/or booting.

***Please be aware of all posted signs including the "at all times" designation.**

***Spectators can park in any of the University garages for \$18/day without in/out privileges.**

***All parking on campus requires a UT parking permit or payment at the garages. Expect a minimum citation of \$35 for parking without a University of Texas parking permit.**
