The top eight swimmers who do not declare their preference to swim in Prelims will swim in the Finals Session. All other heats of the 1500 Free will swim fastest to slowest, alternating women/men, following prelims. The 1500 Free require positive check-in.

Prelims: All prelim events will swim fastest to slowest, with the first 3 heats circle seeded. Thirty minutes after the announcement, no further scratches will be accepted. The existing scratches will be tabulated and the finalists and two alternates will be set. Only those finalists at that point will be subject to a fine.

Any finalist who fails to compete at finals, consolation finals, or any other bonus final heat, for which they have qualified and failed to scratch, will be banned from further competition in the meet in accordance with USA Swimming Rules and Regulations. On Saturday, any finalist that fails to compete at finals, consolation finals or any other bonus final heat will be fined \$50.00 and that swimmers team will be barred from further competition for the remainder of the meet, and any future Championships, until that fine is paid.

Scratch Deadlines: Friday-Saturday prelims deadline: 6:00 PM, day prior to the event. For Thursday prelims, the scratch box closes 15 minutes after the conclusion of the General Meeting on Wednesday. Swimmers must scratch any event that they will not swim the next day. After heats have been seeded, any swimmer who fails to compete in a prelims event in which they have been entered and have not scratched, will be barred from further individual and relay events that day. Additionally, that swimmer will not be seeded in any event on succeeding days unless that swimmer declares an intent to swim prior to the close of the scratch box for the succeeding day's events.
