Qualifying Times: There are “B” qualifying times-SCY OR LCM- for all 200 meter events. The qualifying times are from USA Swimming’s 2017-2020 National Age Group Motivational Times. The age groups are based on 10&U, 11-12, 13-14, 15-16, and 17-18+. Athletes who do not finish an event within the qualifying time will be required to prove their entry time. The entry time must be in SWIMS. Swimmers that cannot prove their entry time will be fined $50 payable to the University of Texas. These swimmers will be barred from competition (at this and/or subsequent meets at the swim center) until the fines are paid.

Time Trials: No time trials will be offered.

Deck Entries: No deck entries will be taken.

Awards: No awards will be given out.

Meet Format: All events will be mixed gender events and the seeding will be based solely on time and not gender. There will be no lane separation between genders. All events will be timed finals swum fastest-to-slowest. Depending upon the size of the meet, events may start from one end of the pool. If there are enough swimmers to run both ends of the pool, chase starts and/or flyover starts may be used. The even heats will finish at the Flag end of the pool and odd heats will finish at the Non-Flag end of the pool. All 50’s will start at the Non-Flag end of the pool. The Meet Administration reserve the right to modify the operations of the meet, depending upon the number of entries. This decision will be communicated in the coaches meeting. We reserve the right to cap the number of swimmers entered in order to stay within the four hour rule. Friday evening, we will cap the meet at 3 hours.
Check-in: Positive check-in is required for all distance events. Positive check-in will be available as athletes enter the pool deck and will close approximately 1 hour after warm-ups have concluded. Exact times will be posted at Clerk of Course on the day of the event. Swimmers that check-in for an event and fail to swim will be fined $50 payable to The University of Texas. These swimmers, and their team, will be barred from competition at the Swim Center until the fines are paid. Swimmers in these events will need to provide their own timer (and counter for the Freestyle distance events). Distance events will run: even heats at the flag end and odd heats at the non-flag end. The meet director and meet referee reserve the right to separate or combine entries as they see fit.

Scratch Rule: We are asking swimmers to scratch events they will not swim the next day. There is not a penalty for failing to scratch an event; this is a courtesy to the other swimmers by eliminating an empty lane.

Racing Start Proficiency: (Unaccompanied Swimmers) Any swimmer entered in the meet must be certified by a USA swimming member-coach as being proficient in performing a racing start or must start each race from within the water. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer’s legal guardian to ensure compliance with this requirement.

Entry Dates: Entries will open on Tuesday, April 3 at NOON for South Texas teams and on Wednesday, April 4 at NOON for all other teams. Entries will not be accepted before that time. You should not make nonrefundable travel arrangements before you know your entries are accepted – entries will be processed in the order received. Entries will close the earlier of:

- a) Monday, April 9 at 2 PM or
- b) When a session reaches an estimated 4 hours in length

Individual sessions may close before the entire meet closes. If we have to close a session early, this will be posted on the Longhorn Aquatics website.

Entries: Swimmers may enter a maximum of 3 individual events per day, and 7 maximum events for the meet. The age of the swimmer will be his/her age on April 20, 2018. Enter all events with previous best times achieved in short course yards or long course meters.

All teams must submit their entries using the latest version of Hy-Tek Team Manager or Team Unify software.
